

# Introducing OverDrive at Yorkville!

OverDrive at Yorkville is an online lending library. It will now be available to our students, both throughout the school year and in the summer. There are apps available, or students can read right in their browser. The directions below are for reading in the browser. For using apps, much of the information is the same, though you may have to navigate a little differently to get there.

- Go to <https://wsdlcwi.libraryreserve.com>
- Select Yorkville from the drop-down menu

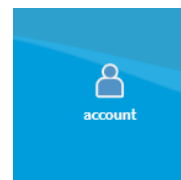

- Enter your hot lunch/library code as BOTH the card number and PIN.

- You can search for books in a variety of ways. Books that have a black logo of a book in the corner are available to be checked out. A gray logo means it is currently out, but you may put a hold on it.

Available	Checked out
<p><b>Bats in the Band</b> Brian Lies</p>	<p><b>Dino-Racing</b> Lisa Wheeler</p>

- You may check out a maximum of 3 books, and may put a hold on 3 additional books. Books will automatically be returned when they are due.
- To see what books you have, click "Account."

- From this screen you can choose one of your books to read in the browser, return it early, view your history, adjust your lending period, etc.
